Powerboat Course

Five more members passed the PB2 course last month. Tim Croucher, Roy Boswell, Kit Edwards, Paul Williams and Matt Francom are added to the ever-growing list of members with this qualification. Ruth, who keeps a meticulous record of everyone's quals, says that there are now over 40 members with a PB2 Cert. That's about half the club membership. Not bad for a small club on the North Wales coast. I am also informed that there are 17 members with a current First Aid certificate.
